**ORDER RE BRIEFING OF TOLLING
AND COLLATERAL ESTOPPEL
ISSUES**

Re: Dkt. Nos. 31, 32

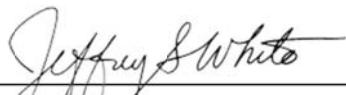

21
22 The Court has received and considered the parties' February 19, 2016 briefs in *Canaday v.*
23 *Comcast Corp.*, 15-cv-04648-JSW. Defendants propose that the tolling and collateral estoppel
24 questions in *Canaday* and these related cases be presented in a single motion for judgment on the
25 pleadings by Defendants. Plaintiffs agree that it is unlikely that a decision in *Anderson v.*
26 *Michaels Stores, Inc.*, Ninth Circuit No. 14-56726, will be fully dispositive of the tolling issue
27 presented in these related cases. Accordingly, the Court will not stay consideration of the tolling
28 and collateral estoppel issues pending a decision in *Anderson*. Defendants may file a single

1 motion for judgment on the pleadings raising the tolling and collateral estoppel issues.

2 The motion for judgment on the pleadings may be filed in *Canaday* only, or a single
3 motion may be filed in all of the related cases. The parties are reminded that these cases are
4 related, not consolidated. Therefore, if the parties wish to file papers in more than one of the
5 related cases, they must list each applicable case number in the caption and separately e-file the
6 document in each case.

7 **IT IS SO ORDERED.**
